

POINTERS ON THE RACES.

High-Class Racing Promised at Monmouth Park To-Day.

Some Crackjacks to Try Conclusions at a Mile and a Half.

The programme at Monmouth Park to-day is the best of the meeting, and some very high-class racing will be seen. The fact that Raceland, Demuth, Post Scout, Tournament, Pickwick, Russell and others are to meet at a mile and a half, should attract a large crowd of visitors. These horses are all tried and a grade race may be seen. That cracking good two-year-old, Sir Walter, will start again in the Atlantic Stakes, meeting Comanche, St. Michael, Lawless and other good ones. Weston and Strathearn are the stars in the opening event, and in the fourth race no less than twenty-two year-olds are named to go. The track will be dry and fast. The selections are as follows:

First Race—Free Handicap, one-mile, \$1,000, to 100 lbs., weight to be added which will be 100 lbs. to the second, and 90 lbs. to the third.

Second Race—The Atlantic Stakes, two miles, weight to be added which will be 100 lbs. to the second and 90 lbs. to the third; those not having over 100 lbs. a 5 lbs. reduction.
